Additionally, Atlantic City Tower is working on preparing the re-recordings of the military jet fighters that were scrambled at the time of 9/11. Patrick Ream, Support Staff at ACY-Tower ran into a few problems with their DAT reproducer, therefore they will be completing the re-recordings by tomorrow.

The military aircraft that were scrambled out of Atlantic City on 9/11 were:

- Snake11--Departed 1452Z/1052L, a Flight of single jet.
- Snake14--Departed 1517Z/1117L, a Flight of single jet.
- Elkin21-----Departed 1428Z/1128L, a Flight of single jet.

As soon as I received the tapes I will forward them to Jeffrey Myers. Any questions, please let me know.
Thanks

Shirley, let's shoot for Wednesday for another trip to ZDC to talk to Kerry Johnson. Dave West also would like to be interviewed. So, let's do both.

Charley and me

Wanted to confirm that you are still planning on 7:30 at PCT for the Maddox interview. If so, I'll get you a contact person and number. Will it be you and Charley again?
